ORDER

Having considered plaintiffs' request for attorneys' fees (D.E. #98 and #102), as well as defendants' opposition (D.E. #100 and #105), and after having examined the record, plaintiffs' request is DENIED. This magistrate is not convinced that defendants acted in a vexatious manner. The fact that defendants did not have a strong case does not justify a finding of bad faith or temerity to warrant the imposition of attorneys' fees.

Costs are to be assessed by the Clerk.

IT IS SO ORDERED.
